A strong collection that would be appreciated both by people who love short stories and those who love cinema. Each of the short stories in the collection was the inspiration for a movie - the book discusses how they were adapted for the screen and also (the best part for me) has the full text of each story.

After all, there have been successful adaptations. One need not look much further than the works of Stephen King for proof of this. A Story For Every Season. Written in 1982, Different Seasons is a collection of four short stories organized into the quarterly sections of the year. Technically speaking, the stories within are not exactly short, they more closely approach novellas, but the discussion about the processes used to adapt them is fundamentally the same.

Literary adaptations have always been popular on the big screen, though every year it seems they're more popular than ever. Most of them are based on novels, or novel series, which only makes sense—there's often a ton of material to work with—and things usually have to be cut, but when movies are based on short stories, there's the trickier business of expansion.

## **31 Movies Based on Short Stories | Literary Hub**

Some of the greatest films of all time in a wide variety of genres have been adapted from short stories. As we look back to some of the best adaptations audiences have ever seen on the big screen, certain elements stand out that separate short story adaptations from novel adaptations.

## **5 Reasons Short Stories Are Easier to Adapt Than Novels**

Literary adaptation is the adapting of a literary source (e.g. a novel, short story, poem) to another genre or medium, such as a film, stage play, or video game.. It can also involve adapting the same literary work in the same genre or medium just for different purposes, e.g. to work with a smaller
