075487-Architecture And Identity Towards A Global Eco Culture

Architecture and Identity: Towards a Global Eco Culture. Link/Page Citation Chris Abel is a nomad by nature. For 30 years or more he has travelled around the world from teaching post to teaching post and conference to conference, reinterpreting current fashions in architectural theory according to his own intellectual preoccupations. This book brings together his most important essays and ...

Architecture and Identity: Towards a Global Eco Culture ...

The "essence" of architecture is defined accordingly: The basic act of architecture is therefore to understand the "vocation" of the place. In this way we protect the earth and become ourselves part of comprehensive totality. What is here advocated is not some kind of environmental determinism.

Architecture as Identity, I: The Essence of Architecture ...

"Architecture and Identity" takes a global, multidisciplinary look on how identities in contemporary architecture are constructed. The general hypothesis underlying this book is that in a globalized

world identity in architecture cannot be easily derived from distinct indigenous patterns. The book presents forty contributions from various ...

Architecture and Identity - Google Books

This article was first a talk about national identity – national peculiarity, if you like – as expressed in architecture. It was given in Wellington's Futuna Chapel on 29 March 2009, and no better place to discuss the subject of national identity and architecture than the chapel, for it is a core component of New Zealand's architectural identity.
