In today's climate of hyper-partisanship, blurred lines between political news, analysis, and entertainment, and outrageous comments from the chattering classes, who better than Tom Patterson to provide students with the tools and context to make informed judgments and become skilled political thinkers?

The American Democracy by Thomas E. Patterson

"How America Lost Its Mind is clearly a book Thomas E. Patterson wishes he did not have to write, but one that needed to be written. From time to time, scholarship should be alarmist. This book is the response of a reasoned, thinking person to a cultural and political calamity that he and many others saw unfolding in slow motion."—

How America Lost Its Mind - OU Press

Americans are losing touch with reality. On issues from climate change to immigration, tens of millions of Americans have opinions wildly at odds with the facts, rendering them unable to think sensibly about politics. In How America Lost Its Mind, I examine the rise of a world of "alternative facts" and the resulting consequences.
