Manual

the web for free books  
in a variety of  
download formats.

There are hundreds of  
books available here,  
in all sorts of  
interesting genres, and  
all of them are  
completely free. One of  
the best features of  
this site is that not all  
of the books listed here  
are classic or creative  
commons books.

ManyBooks is in  
transition at the time  
of this writing. A beta
