Food (Archaeological Series/No 9) by Audrey Noel Hume

Williamsburg is history, having become almost synonymous with its biggest industry, the Colonial Williamsburg Foundation. No visitor can forget the sights, sounds, and smells of the restored/reconstructed city which once hosted Virginia's colonial capitol. Here colonial architecture provides the setting for carriages and costumes, tradesmen and taverns, fives and foods.

Colonial Williamsburg

Among sites still to be explored in Colonial Williamsburg, Custis Square ranks near the top, with potential to add significantly to our understanding of early American gardening, enslavement, colonial consumerism, and 18th century scientific thought. This interdisciplinary archaeological project seeks to uncover the remains of long-hidden landscapes at Custis Square, the ornamental grounds designed by Custis, and the places where enslaved men and women lived and worked on the property.
