The EC inventory published below is a copy as received from the JRC in 2008 on the founding of ECHA. It is comprised of the following lists: EINECS (European INventory of Existing Commercial chemical Substances) as published in O.J. C 146A, 15.6.1990. EINECS is an inventory of substances that were deemed to be on the European Community market between 1 January 1971 and 18 September 1981.
