Watercolor painting can be challenging at first, but it is easy and inexpensive to get started: All you need are paint, water, and a brush. Whether you choose to use watercolor as your primary artistic medium or as a study for an oil or acrylic painting, the rewards of this somewhat unpredictable medium are great. Become a proficient watercolor ...

Watercolor Painting Tips for Beginners - The Spruce Crafts

I often add a watercolor book to my collection purely because of the painting examples that are included. The text may be boring, poorly written or even useless but the watercolor illustrations can make it worthwhile having. The examples in this book by both the author and other artists achieve that. The demonstration illustrations are clear and the selection of other artist's works are varied enough to show the reader a great variety of approaches to watercolor painting.
