Before Ravi Shankar, all tabla players were subordinate to the main instrumentalist. Zakir Hussain also mentioned that Ravi Shankar developed the technique of having the Tabla Player sit side ways at an angle so that both the tabla player and instrumentalist could communicate with each other during the concert. Zakir Hussain mentioned that both these things were revolutionary and unheard of.

Ragas are extremely difficult to explain in a few words. Though Indian music is modal in character, ragas should not be mistaken as modes that one hears in the music of the Middle and Far Eastern countries, nor be understood to be a scale, melody per se, a composition, or a key. A raga is a scientific, precise, subtle and aesthetic melodic form ...
