This is the only Shamanic "how to" book I have found on the retrieval of lost soul essence... it provides a step-by-step guide for the practitioner. I read this book before performing my first Soul Retrieval and know that, while guidance is provided by Spirit, this book gave me additional confidence in the procedure. The Essence of Soul Retrieval was supplied to me, and others, as students in an Advanced Shamanism Course.

Soul Retrieval is a powerful life-changing process. It is a cure, as the Spirits have returned to you the essence and gifts you had lost and forgotten. Now you are able to choose a different way of being, new and healthy ways to utilize your energy. I liken it to filling your car's gas tank and then preparing to drive to new destinations, to ...

Remote Energy Healing | Soul Retrieval

In some respects, essence and soul are almost the same things. The terms can be used interchangeably for much of dialogue. I prefer to use essence more than soul because it doesn't come with as much baggage as the term soul does. Like the soul, we have multiple essences. These essences roll up into an amalgam that ensures each living being is unique.
